... system having virtual catalog overview of files distributively stored across network **domain** - all 4 versions »
T Pisello, D Crossmier, P Ashton... - US Patent 5,495,607, 1996 - Google Patents
... These **migration** commands/permissions are issued on the basis of ... linking backbone 105 by appropriate **scheduling**.) Aplurality of **domain**/local exchange ...
Cited by 111 - Related Articles - Web Search

... snapshots for overview of historical changes to files distributively stored across network **domain** - all 9 versions »
T Pisello, D Crossmier, P Ashton... - US Patent 5,678,042, 1997 - Google Patents
... As such, **migration** of files between primary and secondary storage is preferably controlled on a **domain**- wide basis by a **migration-scheduler** and policy-enforcer ...

[PDF] Harnessing the Capacity of Computational Grids for High Energy Physics - all 7 versions »
J Basney, M Livny, P Mazzanti - Conference on Computing in High Energy and Nuclear Physics, 2000 - cs.wisc.edu
... We may also envision a **scheduler** which performs automatic migrations by ... of the task's resource request to **migrate** the task to the new checkpoint **domain**. ...
Cited by 34 - Related Articles - View as HTML - Web Search

Balancing power consumption in multiprocessor systems - all 6 versions »
A Merkel, F Bellosa - Proceedings of the 2006 EuroSys conference, 2006 - portal.acm.org
... est cost possible, we respect the **scheduler domain** hierarchy ... to balance the power ratios of the **domain**'s CPU ... to create load imbalances, we **migrate** cool tasks ...
Cited by 18 - Related Articles - Web Search - BL Direct

Fast Dynamic Process Migration - all 6 versions »
ET Roush, RH Campbell - Proceedings of the International Conference on Distributed ..., 1996 - doi.ieeecomputersociety.org
... 543 659 Unmap Process Stack from Kernel **Domain** 408 1,067 ... Process **migration** latency, demand paging across the network, and process **scheduling** contribute to ...
Cited by 17 - Related Articles - Web Search

Utilizing widely distributed computational resources efficiently with execution domains - all 6 versions »
J Basney, M Livny, P Mazzanti - Computer Physics Communications, 2001 - Elsevier
... were not anticipated by the **scheduler**'s developers ... network load information to explicitly **schedule** data transfers ... wide-area links, for staging and **migration**. ...
Cited by 29 - Related Articles - Web Search

[PDF] Process Migration - all 17 versions »
DS Milojicic, F Douglis, Y Paindaveine, R Wheeler, ... - ACM Computing Surveys, 2000 - rdadoll.no-ip.com
... disseminates it among the nodes. Distributed **Scheduling** instructs the **migration** mechanism when, where, and which process to **migrate**. ...

Cited by 178 - Related Articles - View as HTML - Web Search - Library Search

[PDF] Event-Driven Thermal Management in SMP Systems - all 3 versions »
A Merkel, F Bellosa, A Weissel - Proc. of the Second Workshop on Temperature-Aware Computer ...,
2005 - i30www.ira.uka.de
... uses this characterization to co-**schedule** tasks on ... for a destination CPU, since
migrating the hot ... to incorporate energy-aware **scheduling**: • We integrated ...
Cited by 13 - Related Articles - View as HTML - Web Search

[PS] MIST: PVM with transparent migration and checkpointing - all 3 versions »
J Casas, D Clark, P Galbiati, R Konuru, SW Otto, ... - 3rd Annual PVM Users' Group Meeting, Pittsburgh,
PA, May, 1995 - cse.ogi.edu
... this interface to accommodate task **migration** and checkpoint ... A **scheduler**, however,
can only make decisions based on ... knowledge of what tasks to **schedule** and on ...
Cited by 67 - Related Articles - View as HTML - Web Search

[CITATION] Minimizing the flow time without migration - all 13 versions »
B Awerbuch, Y Azar, S Leonardi, O Regev - SIAM Journal on Computing, 2002 - Society for Industrial and
Applied Mathematics Philadelphia, PA, ...
... For our analysis we can even assume that OPT may **migrate** jobs between ... For a given
scheduling algorithm S we define V S (t) to be the volume of a **schedule** at a ...
